Shadowland On-Site Ceremony Information

Some of our couples choose to have their ceremony right in the ballroom. Our ceremony fee is either \$300 or \$500 depending on which option you prefer.

OPTIONS:

A

Your guests will come in the ballroom and find their assigned table that they will be using for the reception and sit at this location. The ceremony will be held on the center of the dance floor. This option works very well for larger weddings.

\$300

B

Guests will enter the ballroom and sit in the Sunset Room (carpeted area of the ballroom) or other designated ceremony location. Reception tables will be preset off to the side of the room. After the ceremony is completed, staff will rearrange the room according to the predetermined reception room layout. This option works well for weddings under 175.

\$500

C

The Sunset Patio (outside of the ballroom) also makes a lovely ceremony site. The wedding party would be located under the canopy while the wedding guests would be seated on the Sunset Patio pavement facing the ballroom. Rental chairs from an outside company would be required for this option. This option works well for weddings under 100.

\$300
